

Schwartz Center Rounds Evaluation[®]		Hospital:			
Date:					
Topic:					
The goal of the Schwartz Center Rounds is to provide a multidisciplinary forum in which caregivers can comfortably discuss issues they face in providing compassionate care to patients. Please complete this evaluation form to help the Schwartz Center Rounds Planning Committee improve the Rounds. This form will help your institution provide continuing education credit for this activity if applicable.					
Please respond to the following statements by checking the box that most reflects your opinion of today's Schwartz Center Rounds.	Disagree completely	Disagree somewhat	Neither agree nor disagree	Agree somewhat	Agree completely
