MEMBERSHIP

Research shows that compassion is great medicine.

It helps patients thrive, caregivers rediscover their passion for healing, and health systems prosper. The Schwartz Center for Compassionate Healthcare is dedicated to building engaged and resilient healthcare staff who are prepared to provide the most compassionate, patient-centered care possible.

Through its Healthcare Membership Program, the Schwartz Center provides access to programs, educational opportunities and resources that enable healthcare organizations to create and sustain cultures of compassion. The Schwartz Center member community is comprised of hundreds of thousands of like-minded individuals across the globe who are dedicated to putting compassion at the heart of healthcare.
