 National Compassionate Caregivers of the Year[®] Award

The banner features a blue background with a white logo for 'the schwartz center FOR COMPASSIONATE HEALTHCARE' and the word 'TOUCHPOINTS' in large white letters. Below this, there is a circular image of healthcare workers in white coats and masks. To the right of the image, the text 'Nominate a compassionate caregiver or team' is followed by the URL 'theschwartzcenter.org/NCCY'. Below the URL is the logo for the 'National Compassionate Caregivers of the Year Award', which consists of a stylized white flower-like shape inside a circle.

Nominate a Compassionate Caregiver for the NCCY Award

The **National Compassionate Caregivers of the Year (NCCY)[®] Award** recognizes extraordinary healthcare professionals from across the country who embody the characteristics of compassionate care, and whose professional achievements have helped to create healing healthcare environments for patients, families, colleagues, and communities.

Up to six award recipients will be chosen by a national review committee. Nominees may include healthcare professionals and interdisciplinary teams of healthcare professionals. We welcome nominations for clinical and nonclinical providers, administrators, educators, and others who provide direct or indirect care to patients, families, and/or healthcare staff.

Nominate an individual caregiver or team today and celebrate their commitment to compassion!

The banner features a dark blue header with a white icon of two hands shaking. Below the icon, the text "Compassion in Action Webinar Series" is written in white. The main body of the banner is light blue and contains three circular portraits of speakers: a man with glasses, a woman with blonde hair, and a woman with dark hair. Below the portraits, the title "Five Evidence-Based Actions Leaders Can Take Now to Support the Healthcare Workforce" is displayed in bold dark blue text.

Five Actions for Leaders to Support the Healthcare Workforce

A group of experts convened to answer the question on every healthcare leader's mind –
“**What can we do *now* to support our workforce?**”

Watch this panel discussion with **Corey Feist, JD, MBA**, president and co-founder of the Dr. Lorna Breen Heroes' Foundation; **Robyn Begley, DNP, RN, NEA-BC, FAAN**, CEO of the American Organization for Nursing Leadership and CNO and SVP for Workforce of the American Hospital Association; and **Tina Shah, MD, MPH**, co-chair and principal, TNT Health Enterprises, and moderated by the Schwartz Center's Chief Medical Officer **Beth Lown, MD**. Panelists delved into five key recommendations and examined what they mean for leaders, clinicians and other healthcare workers. They also explored how caregivers can sustain themselves while continuing to care with compassion for their patients.
