

We Want Your Feedback!

We are pleased to announce that we are working toward an exciting new affiliation with the **Dr. Lorna Breen Heroes' Foundation** to create a comprehensive organization. Together, we will drive our healthcare system forward in supporting its most valuable resource: its workforce. We must change our healthcare system to better protect the well-being of the health workforce, so they can deliver high-quality, compassionate patient care.

Recorded Sessions Available! 2022 Conference - Healing Healthcare: Revitalizing and Reshaping Our Future

Our **Virtual Compassion in Action Healthcare Conference** brought together hundreds of healthcare professionals, leaders and others like you who are committed to compassionate healthcare. We hosted an exchange of diverse thoughts and ideas around the critical importance of compassion in healthcare, particularly during this challenging time.

If you missed it, you can still register and receive recorded access to sessions. All recordings will be posted to the conference app. Attendees will be able to claim continuing education credit for individual sessions through December 31, 2022.

The Stanzler Fund Supports Caregivers in Need - And You Can Help!

In 2022, it is reported that at least one-third of front-line staff are considering leaving healthcare, including 66% of critical care nurses and 67% of nursing assistants in hospitals and nursing homes. **If we don't support our caregivers, who will?**

The Marjorie Stanzler Financial Aid Fund provides free access to Schwartz Center programs and training to organizations in need. These sites include Veterans Affairs hospitals, safety net community hospitals and Indian Health Services sites.
