Join Us at Our Annual Dinner

Join us at the in-person [2022 Kenneth B. Schwartz Compassionate Healthcare Dinner](#) in Boston to celebrate and recognize healthcare workers. This event raises vital funds for programs that support the well-being of healthcare professionals so that they can provide compassionate care to patients and families.

Guests include caregivers, senior leaders from hospitals, health plans, biotech, pharmaceutical, finance, real estate and many other industries. You'll hear from keynote speaker **Corey Feist, founder of the Dr. Lorna Breen Heroes' Foundation** about their affiliation with the Schwartz Center to create a comprehensive organization that will work across health systems and inspire hope for the future of healthcare.

The evening will also feature the announcement of the **2022 National Compassionate Caregivers[®] of the Year Award** recipients. You will hear inspirational stories about how they are creating healing healthcare environments for patients, families, colleagues and communities. There will also be plenty of time for networking.

Celebrating Innovations in Healthcare

Thank you to those who joined us for our annual [Corman IMPACT Honors](#) program to celebrate the incredible work of Schwartz Center members. During the panel discussion, **Schwartz Center Chief Medical Officer Dr. Beth Lown** was joined by a spokesperson from each of this year's honorees for a conversation about their respective programs and the impact they've made on patients, families, and their organizations. In case you missed it, you can [view the recording](#) and read more about this year's honorees.
